Subject: Cooperation announcement Merint UAE / Finotech Switzerland AG

Date: 01st March 2023

Dear valued customer,

Merint UAE and Finotech Switzerland AG have decided to join forces. Thus, Finotech Switzerland will support with their product experience and production capacity for Insulating Glass Silicones and Structural Silicones the successful distribution efforts of Merint UAE in selective markets in the Gulf, Africa and India.

We have decided and hereby declare that the product specifications of Meriseal IG-20 and Finotech® SQ-10 as well as Meriseal SG-50 and Finotech® SQ-110 are identical for the duration of this agreement. Construction building project specifications for the brands should instead be left with the original specified product to ensure clear reporting for warranty procedures.

Please feel free to contact us in case you have any questions.

Thank you for your support and attention and best regards.

Merint L.L.C, UAE
